INTERSTATE COMMERCE COMMISSION

AMENDMENT TO

Canadian Cars Security Agreement

THIS AMENDMENT TO Canadian Cars Security Agreement,
dated as of December 15, 1983, is entered into by and among
North American Car Corporation, a Delaware corporation (the
"Company"), North American Car (Canada) Limited, an Ontario
corporation (the "Canadian Company"), and The First National
Bank of Chicago, a national banking association (the "Col-
lateral Agent"), not individually but as Collateral Agent
under that certain Master Credit Terms Agreement referred to
in the Security Agreement hereinafter mentioned.

RECITALS

1. The Company, the Canadian Company and the Col-
lateral Agent entered into a Canadian Cars Security Agree-
ment dated as of September 8, 1983 (the "Security Agreement"),
which was filed and recorded with the Interstate Commerce
Commission pursuant to Section 11303 of the Interstate Com-
merce Act on September 12, 1983 and assigned Recordation No.
14157, pursuant to which the Company and the Canadian Com-
pany granted to and created in favor of the Collateral Agent
a security interest in certain rights of the Company and the

Canadian Company in and to the units of railroad equipment described in Schedule 2 thereto.

2. In order to induce the Collateral Agent to release collateral from certain security agreements among the Company, the Canadian Company and the Collateral Agent and to subordinate its security interest under certain other security agreements among them, the Company and the Canadian Company desire to grant to and create in favor of the Collateral Agent a security interest in certain rights of the Company in and to additional units of railroad equipment and to amend and restate Schedule 2 to the Security Agreement in its entirety to describe the units of railroad equipment described in Schedule 2 to the Security Agreement as originally executed and such additional units of railroad equipment.

NOW, THEREFORE, in consideration of the foregoing, the Company, the Canadian Company and the Collateral Agent hereby agree as follows:

1. The Company and the Canadian Company hereby confirm to the Collateral Agent the security interest granted and created by the Security Agreement as originally executed and grant to and create in favor of the Collateral Agent a security interest in all of their right, title and interest described in Granting Clauses First through Fourth,

inclusive, of the Security Agreement in and to all units of railroad equipment described in Schedule 2 hereto which were not described in Schedule 2 to the Security Agreement as originally executed, such security interest to attach on the later of the date of this Amendment or the date determined pursuant to Section 2 of the Security Agreement, to be subject to the Existing Prior Lien Agreement referred to in the Security Agreement and to be subject to all the terms and conditions of the Security Agreement, including, without limitation, any provision of the Security Agreement voiding the security interest granted and created hereby in the event of a finding by a court that such security interest would constitute a default or an event of default under the Existing Prior Lien Agreement.

2. Schedule 2 to the Security Agreement as originally executed is hereby amended and restated in its entirety to read as set forth in Schedule 2 hereto.

3. Except as expressly provided herein, the Security Agreement shall remain in full force and effect.
